

LÂM THỊ HÒA BÌNH. 2014. Một số vấn đề liên quan đến nhóm từ vựng tiếng Anh chuyên ngành từ góc độ ngôn ngữ học khối liệu, *Ngôn ngữ và Đời sống*, số 11 (229), tr.18-23.

From the fact of ESP teaching in the country, the report shows the significance of lexical quantification in teaching ESP as well as distinguishing ESP vocabulary into groups. On analyzing some concepts on General English, Academic English and sub/semi-technical vocabulary achieved from corpus research, the writer explicitly distinguishes the boundaries between the groups, defines the essential lexis aiming to a more effective teaching and learning ESP vocabulary at colleges and universities in Vietnam.
